The Form I-526E Immigrant Petition by Regional Center Investor has been approved for one or more visa classifications.

The U.S. Department of State *Visa Bulletin* determines visa availability for individuals waiting to file for employment-based adjustment of status or to have their pending application for adjustment of status processed. This *Visa Bulletin* indicates when statutorily limited visas are available to prospective immigrants based on their individual priority date.

The petition indicates that you will apply for adjustment of status to that of a lawful permanent resident. You should submit a copy of this notice, along with a Form I-485, Application to Register Permanent Residence or Adjust Status, if you have not already filed a Form I-485 concurrently with or subsequent to the filing of your petition for classification. **If you are eligible for more than one visa classification, you will be required to identify the visa classification on which you will seek to adjust.** You can obtain Form I-485 from the USCIS website at [www.uscis.gov](http://www.uscis.gov), by contacting the USCIS National Customer Service Center (NCSC) at 1-800-375-5283, or by visiting the local USCIS field office. Filing address information can be found on the USCIS website at [www.uscis.gov](http://www.uscis.gov).

If you decide to apply for an immigrant visa outside the United States based on this petition, you should file Form I-824, Application for Action on an Approved Application or Petition, to request that we send the petition to the U.S. Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The NVC will contact you with further information about immigrant visa processing steps.

**THIS NOTICE IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.**
